Eyre Peninsula Little Tin Co.

Little Tin Co. sources all of their canned seafood from South Australian waters in the Eyre Peninsula, including kingfish, sardines, mussels and salmon!

Adelaide Hills Ashton Valley Fresh

Ashton Valley Fresh started as a way to reduce food waste, turning imperfect apples from the family's orchard in the Adelaide Hills into premium juice!

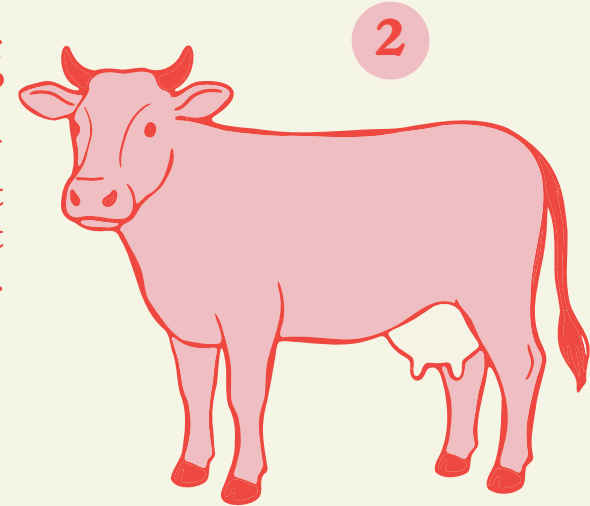

Mid-North San Remo

The special durum wheat used in San Remo pasta is sourced from local grain farms, including the Mid-North, which provides the perfect hot and dry growing conditions the wheat needs to thrive.

Murray River Lakes & Coorong Thomas Foods International

Thomas Foods is Australia's largest 100% family owned meat processing company, with their flagship start-of-the-art facility located in Murray Bridge.

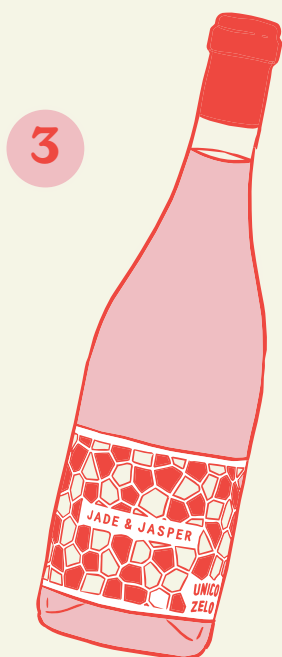

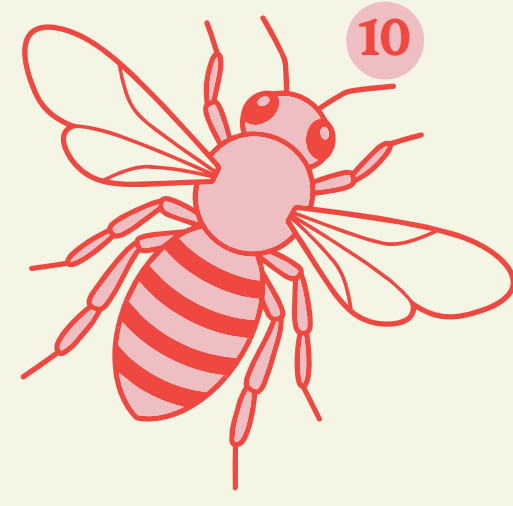

Barossa Valley Maggie Beer

A Barossa icon, Maggie Beer's cooking philosophy has been shaped by the region's abundance of fresh produce and strong network of passionate local growers. Today, there are over 200 different products in the Maggie Beer range.

Kangaroo Island Maine Beach

Maine Beach's Kangaroo Island Organic Ligurian Honey range contains organic honey sourced from the world's sole remaining pure strain of Ligurian bees on Kangaroo Island.

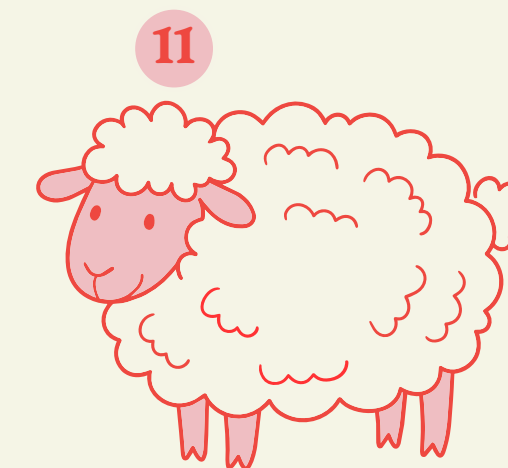

Riverland Unico Zelo

Did you know the Riverland produces the most grapes compared to any other region in Australia! These are regularly sourced by wineries such as Unico Zelo for drought-tolerant Mediterranean varieties including Fiano and Nero d'Avola.

Clare Valley Rohde's Free Range Eggs

Every Rohde free range egg you buy has been produced by one of 60,000 chooks who roam freely and produce approximately 45,000 eggs per day!

Limestone Coast MiniJumbuk

MiniJumbuk's Limestone Coast Wool range is a collaboration with local farmers, featuring local wool and supporting wool growers, businesses and communities in the region.

Flinders Ranges & Outback Mischief Brew

The native Australian ingredients in Mischief Brew sodas, including quandong and golden wattle, are hand picked in the Flinders Ranges through a collaboration with Flinders Food Co.

Fleurieu Peninsula The Carob Kitchen

Home to the famous Banjo Bear, the family run Australia's oldest organic carob orchard in Port Elliott, where their carob is grown, manufactured and sold all over the world.

Yorke Peninsula Coopers

Coopers source much of the barley in their beers from grain farms in the Yorke Peninsula, with the cooler maritime climate producing premium malting barley.
